Below is a list of the largest cities in the European Union according to the population within their city limits. The cities listed all have populations over 300,000. The list deals exclusively with the areas within city administrative boundaries as opposed to urban areas or larger urban zones (metropolitan areas), which are generally larger in terms of population than the main city.

Mental Health Check Do the Mental Health Check and discover whether your company or organisation can improve mental health promotion at work! It will take 15 minutes of your time to assess the quality of the mental health promotion measures in your company or your organisation.

ENWHP European Network For Workplace Health Promotion

Occupational safety and health (OSH), also commonly referred to as occupational health and safety (OHS), occupational health, or workplace health and safety (WHS), is a multidisciplinary field concerned with the safety, health, and welfare of people at work. These terms also refer to the goals of this field, so their use in the sense of this article was originally an abbreviation of ...
