Advanced Placement examinations are exams led by the CollegeBoard and are taken each May by students at participating educational institutions. The tests are the culmination of year-long Advanced Placement (AP) courses. All AP exams (with few exceptions) combine multiple-choice questions with a free-response section in either essay or problem-solving format.

Advanced Placement exams - Wikipedia

In the United States, Advanced Placement Computer Science is a suite of Advanced Placement courses and examinations covering areas of computer science.They are offered by the College Board to high school students as an opportunity to earn college credit for college-level courses. The suite consists of two current classes and one discontinued class. AP Computer Science was taught in Pascal for ...
