

an analysis of prepositional pdf

An adpositional phrase, in linguistics, is a syntactic category that includes prepositional phrases, postpositional phrases, and circumpositional phrases. Adpositional phrases contain an adposition (preposition, postposition, or circumposition) as head and usually a complement such as a noun phrase. Language syntax treats adpositional phrases as units that act as arguments or adjuncts.

Adpositional phrase - Wikipedia

Prepositions and postpositions, together called adpositions (or broadly, in English, simply prepositions), are a class of words used to express spatial or temporal relations (in, under, towards, before) or mark various semantic roles (of, for).. A preposition or postposition typically combines with a noun or pronoun, or more generally a noun phrase, this being called its complement, or ...
