If the engines are not fitted with an Iveco Motors instrument panel, the starting instructions given previously may vary according to the type of control panel fitted to the machine on which the engine is in-stalled (see the instructions supplied by the machine's manufactu-rer).

ERIES - iveco.su

Iveco (Aifo) is not only a truck engine but in our case these are Marine engines. They are part of Fiat. They are one of the biggest diesel manufacturers in the world.
