Mission " Vision " Values: Toward Common Definitions

When used properly mission, vision and values statements can be very powerful tools. They are inspiring words developed by leaders to clearly and concisely convey the purpose, direction and driving forces of their organization.

Three Things You Can't Do Without"Mission, Vision and

A vision statement is a declaration of an organization's objectives, intended to guide its internal decision-making. A vision statement is not limited to business organizations and may also be used by non-profit or governmental entities.

Vision statement - Wikipedia

A mission statement is a short statement of an organization's purpose, identifying the goal of its operations: what kind of product or service it provides, its primary customers or market, and its geographical region of operation. It may include a short statement of such fundamental matters as the organization's values or philosophies, a business's main competitive advantages, or a desired ...

Mission statement - Wikipedia

Mission Statement Examples: There are VERY few successful companies that do NOT have succinct mission and vision statements. Many CEO's claim these statements are the beacon that guides their business direction and sets the foundation for expectations and performance.

What do you want out of life? Maybe that seems like a strange question. What do goals have to do with getting rich slowly? Everything! Having a personal mission is key to running your life like a business. Your goals help you decide how to spend your time and money. When I think about the difference between people with purpose and people without, I always think of my friend Paul.
