Service Kit for Solex Pierburg 30/35 PDSI(T) carburetors as used on, amongst others, the 1979-series Volkswagen Santana 1600. Although these carburetors were originally delivered on the above cars, they are often transplanted onto other cars and engines so the range of vehicles that these service kits might fit is much broader.

solex manual | eBay

A carburetor (American English) or carburettor (British English) is a device that mixes air and fuel for internal combustion engines in the proper ratio for combustion. It is sometimes colloquially shortened to carb in the UK and North America or carby in Australia. To carburate or carburet (and thus carburation or carburetion, respectively) means to mix the air and fuel or to equip (an engine ...
